~~The impact of COVID-19 on business is in general and it may vary from business to business, please update it according to your business condition and specific requirements.~~

Sr. No.	Particulars	Impact*
1.	Impact of the COVID- 19 pandemic on the business	The Indian Government has taken a series of measures to contain the outbreak, which included imposing multiple 'lock-downs' across the country, from March 25, 2020 extended up to June 30, 2020. The lockdowns and restrictions imposed on various activities due to COVID - 19 pandemic have posed challenges to the business of the Company.
2.	Ability to maintain operations including the office spaces functioning and closed down	Company allowed employees to work from home and thereby the Company has been able to maintain its operations in order to comply with duly applicable legal framework. But due to lack of resources there is difficulty in gathering the information regarding NSE Compliance and we are trying to make it on time.
3.	Schedule, if any of restarting the operations of the Company	The Company is following Government Directives regarding health and safety of employees and has encouraged to practice work from home until the situation is stabilized.
4.	Steps taken to ensure smooth functioning of Operations	Company has provided all necessary access to its employees to work from home to continue operations smoothly.
5.	Estimation of the future impact of CoVID-19 on its operations	COVID-19 pandemic may cause delay in income accrual in near future. Exact impact of that is yet to be assessed at this stage.
6.	Details of impact of CoVID-19 on listed entity's:	
i.	Capital and financial Resources	No Significant Impact
ii.	Profitability	In view of lock down, the profitability during 1st quarter (April to June) is

		likely to be adversely impacted. As the business situation is very dynamic, the company is closely monitoring it. Though we do hope the business situation should normalize probably from 4th quarter.
iii.	Liquidity Position	Company has taken appropriate measures to ensure requisite liquidity and there is no significant concern.
iv.	Ability to service debt and other financing Arrangements	No Concern
v.	Assets	All assets are safe and well protected
vi.	Internal financial reporting and control	The Company has robust system in place and all its locations are well networked. Even during the lockdown with a combination of critical staff working from respective locations and all others working from home, all reporting systems worked seamlessly without any disruption.
vii.	Supply Chain	The supply chain was disrupted in view of lockdown in March 2020.
viii.	Demand for its products/services	Closure of economic activity has led to slowdown in demand in the month of April, 2020 in India but it has started to pick up in May 2020.
7.	Existing contracts /agreement where non-fulfillment of the obligation by any party will have significant impact on the listed entity's business	The Company is well positioned to fulfill its obligations and existing contracts/arrangements.
8.	Other relevant material updates about the business	Not Applicable
